Scrapbooks, 1890-1979
101.5 shelf ft.

The U. T. Scrapbooks collection consists of 322 volumes containing mounted clippings of newspaper stories relating to the University and its students and faculty.

Although much of the series is compiled in consecutive chronological sequence, there are numerous volumes that overlap this sequence through periods of months or years. The volumes are arranged so that they follow one another chronologically according to the first date covered in each one.

Researchers interested in material covering a specific period should review the volume chronology carefully, in order to ascertain which ones are of interest for their purposes.
