

AR-264

BUSINESS MANAGER'S PAPERS:
contracts, bonds, leases, and specifications
1940-1960

ca. 59,000 pieces

ca. shelf ft. 58.5 ft.

This collection is mainly all legal documents and related correspondence. The vast majority of this collection are contracts. They are alphabetized according to the company's name with which the university had the contract. There are many contracts with V.L. Nicholson Construction Company, the U.S. government and the Tennessee Valley Authority.

The bonds and leases are also arranged in alphabetical order according to the company. The specifications section, however, is arranged in alphabetical order according to the building name. The buildings include those on the U.T. Knoxville, U.T. Martin, and U.T. Memphis campuses.
