19 cu. ft.  
1972-1988

Dr. Luke Ebersole used these materials in the conduct of day-to-day business of his office. Because Dr. Ebersole's responsibilities were shared, merged, and reassigned over time with other offices, this series contains documents from other persons/offices related to or involved in the vice chancellor's duties, principally Homer Fisher and Betsey B. Creekmore.

The collection is arranged into subseries, beginning with an alphabetical listing of the general working files. From there, the collection breaks into subseries on specific subjects.

To aid in understanding the material contained in this collection, an outline of Dr. Ebersole's career during the period follows:

- (1) Associate Vice Chancellor for Academic Affairs: 1970-72
- (2) Vice Chancellor for Planning and Administration: 1972-84
- (3) Emeritus Vice Chancellor and Emeritus Professor: 1984-
